Modular air freshener

An excellent way to guarantee washrooms, reception areas, lobbies etc. smell pleasant and inviting. This automatic air-fresh dispenser delivers bursts of odour-controlling fragrance, which can be customised to suit any environment. For example: inspirational for meeting rooms, or relaxing for reception areas.

Very simple to program via an LCD display, so you can easily adjust the intensity of spray in different locations. It also calculates exactly how many refills you'll need per year so you can manage stock and control costs.

- The dispenser can be colour-coded to suit your location or match other dispensers
- Accepts a large variety of aerosol cans
- Perfect for reception areas, lobbies, walkways, corridors, washrooms, offices, meeting rooms and locker/changing rooms

4 colour options available as standard
contact us for information on bespoke window colours
