Modular centrepull

This space-saving dispenser fits rolls of perforated and non-perforated paper, and is designed for areas that require fast access to towels – such as kitchens, gymnasiums and garages. The hard-wearing design will stand up to years of constant use, and the dispenser is very easy to service and restock.

It comes in two sizes to suit all locations, and features a unique 'tear-off cleat' that cleverly avoids wasted paper.

- Space-saving design fits small spaces
- A perfect choice for kitchens, gymnasiums and garages
- Unique 'tear-off' mechanism minimises paper waste and environmental impact
